Coaching Skills for Positive Disruption

Propel your career and your life forward with School of Change. A fully-interactive, live virtual training designed for busy people who want to increase their self-awareness and lead impactful change.

Why School of Change?

Do you want to shape better-functioning teams and organisations?

Are you wondering how your life and work can be more impactful and sustainable?

Do you seek more meaning and feel compelled to leave a positive legacy?

You've come to the right place. We believe in the power of coaching for positive disruption.

BENEFITS FOR THE INDIVIDUAL...

- Experience the power of deep listening, curiosity and openness and learn coaching tools and techniques to enhance your leadership presence.
- Learn how to ask effective questions to see past the surface, spot underlying patterns and shift them for sustainable innovation and growth.
- Embrace emergence, adaptability to thrive in uncertainty and complexity and grow your resilience.
- Network with other committed leaders and gain new perspectives.
- Get lifetime access to our tools and videos to help you bring everything back into your business and your life.

BENEFITS FOR THE ORGANISATION...

- Empower your talent with the knowledge and key skills to deliver on future growth for your business in an exponential age.
- Cultivate a culture where honest dialogue is encouraged, and diverse perspectives are seen as strengths.
- Explore a balanced approach that empowers swift, informed decision-making without compromising team cohesion.
- Bring hidden challenges - the elephant in the room - to light, fostering transparency and trust.
- Understand the factors that might be holding your organisation back and learn how a coaching mindset can create rapid traction in the face of market risks and uncertainty.

Work with us and you will

Reconnect to what truly matters to you, listen, be curious, open and become a leader who inspires and empowers.

Have all the right tools and techniques to be unfazed by uncertainty and complexity and successfully deliver on your projects.

Become a force of innovation and change that actively moves the entire organisation forward (and the world!).

All our programmes are seamlessly delivered worldwide, across locations and time zones, both remotely and in house.

Don't just take our word for it

Super immersive course in all things coaching, transformation and new ways of working. Recommended to anyone working on transformation initiatives.

-Ecaterina Harling, Director of Transformation & Digital, EBRD

School of Change stands out as a school of professionals for professionals. It offers comprehensive preparation from theory and professional ethics to the whole range of coaching skills and techniques and even the necessary administrative formalities. Lise's teaching and supervision are highly effective and offer constant opportunities for self-development. I recommend the training to anyone wanting to become a coach and to leaders at all levels.

-Kathrin Höckel, Filmmaker, Education Expert & Adventurer

A piercing gaze that sense the manifold future possibilities of the other yet lets them unfold in their own time; powerful questions, with no immediate answer, that nourish our practice for a long time to come; an awareness of the diversity of expression that opens the door to the singular expressiveness of each person.

-Sophie Dané-Roullet, Drama Teacher & Dancer

The School of Change training provides the keys to exploring all aspects of coaching. It is a regular, disciplined, fun and enlightening experience. I recommend it with all my heart.

-Claire Mauduit, Director, S&P Global Ratings

PROGRAMME AT A GLANCE

Our mission is to bridge the leadership gap so that people and organisations can lead effectively towards a more sustainable world.

Join a small-group online environment with monthly 2-hour long meet ups, peer groups and self-paced learning on our virtual learning platform.

We combine teaching, discussion, client cases, experimentation, practice, reading, reflection, and real-life client work.

Certified by the International Coaching Federation. Graduates can apply for certified coach status at ACC or PCC level upon completion.

From day 1, we put great emphasis on practice and reflection to stretch you out of your comfort zone and help you identify your very own style.

Upon graduation, most people incorporate their coaching skills into their day job while some pursue a career as a fully-fledged professional coach.

*For ACC level, you need a minimum of 100 hours of client practice; for PCC level you need a minimum of 500 hours of client practice.
